

Jennifer Finaldi

Talented and hardworking computer science student, seeking an internship in the software industry to gain real-world experience in the development and release of commercial software products. Eager to use, build upon, and sharpen my existing skills, as well as gain new experience for the mutual benefit of the company and my new career.

Work History

2019-01 - 2019-07	Peer-led Team Learning (PLTL) Tutor <i>Contra Costa College, San Pablo, CA</i> Calculus II, C++ Programming, and Descriptive Physics courses. Reported directly to tutor management & professors, attended lectures, assisted in proctoring exams, prepared and held group study sessions, recorded & reported program enhancement data.
------------------------------	---
